Yorba Linda Explosion, Fire Causes 577,000 Damage

YORBA LINDA-An early morning fire virtually destroyed the Elkin Covington home on Grandview Avenue in Yorba Linda last Friday morning.

Covington, his wife Joyce. daughter Denise and a visitor Penny Hobbs all escaped unharmed as the explosion and fire gutted the home.

According to the Orange County

Fire Department the explosion was caused by the accumulation of miscellaneous low pressure gasses: A tank of butane gas was stored in a vehicle which was parked in the garage overnight. Leakage from this tank is thought to have been the dominating factor.

Estimated damage to the home and vehicles is \$77,000.

YL School Board Considers Budget, Resignation, Paving

YORBA LINDA — The Yorba Linda School District will hold a public hearing on the proposed budget for next year, consider the resignation of board member Thomas Hays and consider bids on the repair of asphalt pavements at the schools at its regular meeting Thursday evening at 7:30 in the district offices.

The budget, now up for final approval, totals about \$1.7 million. up slightly from last year. According to Superintendent Sterling Fox, the change in assessments in the county will not make much difference in income to the district because of decreases in state aid caused by the increased tax income.

Hays, who was elected to the board slightly over a year ago, is resigning to accept a position with the Peace Corps in Africa. A special election will be held in conjunction with the November 3 general election to select a replacement for Hays on the

PLACENTIA - The Board of Education of the Placentia Unified School District will reconvene on Thursday, August 6 at 7:45 p.m. to complete their work of the adjourned meeting on August 3.

YL Council Denies Two Abandonments

Council voted Monday evening to keep Main Street south of Imperial Highway and Plumosa Street south of Lemon Street open to traffic at its regular meeting.

The staff had proposed abandoning the two streets, which are very short stubs with no access taken off them, for safety reasons because of the large number of angle turns onto Imperial Highway in Yorba Linda.

Arguments opposing abandonment of the streets mainly emphasized the danger of funneling all traffic that uses these streets onto others, specifically Lemon and Imperial near Plumosa and Yorba Linda and Imperial near Main Street, both of which have very sharp turns.

The council upheld an appeal by Cyril Moran on a variance concerning dedication of property along Lakeview. Moran was allowed to build an addition onto from \$379,557 to \$430,000. of his property to the city. The will decide whether to accept the Planning Commission had lower bids or rebid the entire

YORBA LINDA - The City required a dedication of 10 feet and the staff had recommended 25 feet, the ultimate width of the street. Only Councilman George Machado opposed the granting of the variance.

The council appointed 24 persons to the new horse study committee, all who applied being appointed. The committee will study ways of controlling and regulating the horse population within the city.

The bid for the widening of Rose Drive was awarded to the Sully-Miller Contracting Co. of Orange in the amount of \$159,900.85, considerably below the engineers estimate, according to City Administrator Darrell Dalton.

YORBA LINDA '- A special meeting of the Yorba Linda Library District Board of Trustees will be held Thursday at 4 p.m. for further discussion of bids received on the construction of the new library building.

According to Mrs. Katherine Citizen, librarian, all bids came in far over the \$350,000 to \$360,000 estimate for construction, ranging

Scouts Participate In City Clean-Up

On Saturday, August 1, a group of Scouts from Troop 715, led by Dean Yamada, carried out a clean-up project on Sierra Vista Avenue.

Starting at 6 o'clock in the morning, the group worked for four hours accumulating 22 large sacks of trash from the small strip of street and the orange grove.

These boys from Troop 715 feel that if the buying public will think before they throw that small piece of trash out the window, Placentia will not have a litter problem. "Have pride in your city and keep it clean," said Yamada.

Other members of Troop 715 participating in this project were Brad Hart, Bob Swanson, and Mark Swanson.

Ringling Brothers Circus Comes to **Anaheim Center**

"A hundred years old, but as new as today" is an apt description of Ringling Bros. Barnum & Bailey Circus that will be in Anaheim's Convention Center Aug. 13-19 on its centennial tour.

Just as it did 100 years ago, the big show will have the tumbling clowns, wild animal acts, thrilling aerial performers and the many other attractions that have made the circus an inseparable part of the American entertainment

The great Wild West days with Annie Oakley and Buffalo Bill will be recreated as will some of the great human oddities of P. T. Barnum's day like Tom Thumb, "the world's smallest man," plus the world-famous Emanuel Zacchini family with the X-15 cannon which shoots two human missiles the length of the arena.
